TO

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to submit herewith a copy of letter No.F.C.446 Rev. of 19-20 dated the 13th instant from the Deputy Commissioner, Chitaldrug and its enclosure regarding the establishments proposed to be entertained by him for the food grain depots in this district. It will be seen that depots are proposed to be opened at Molakalmuru, Holalkere, Hosadurga, Davangere, Jagalur and Haribar. For Molkalmuru, Hosadurga and Jagalur it is proposed to have one peon on Rs.10 or Rs.8. For the other three places, viz., Holalkere, Devangere and Haribar, establishments costing Rs.60, Rs.95 and Rs.60 (inclusiv of house rent) are proposed. The question of the retail sale of rice in these depots was discussed by me with the Deputy Commissioner on the 12th instant when the Registrar of Co-operative Societies was also present. The Registrar and I had made provisional arrangements under which the Burma rice would be consigned by me to the Amildars of these places and the co-operative socie ere to be supplied with stocks by the Amildar the amount of credit allowed to them by the trar. The Deputy

7

Deputy Commissioner was however unable to agree to this arrangement. He desired that stocks for co-operative societies may be sent to them direct from Madras or Bangalore and considered that such stocks as were requisitioned by and supplied to the Amildars had best be sold by them in retail as in any case a clerk and a measurer would be necessary and there was no object in retail sales being handed over to co-operative societies which would also have to ~~be~~ entertained additional measuring establishments. In view of this I have supplied some rice direct to the societies at Holalkere and Ramagiri, but for the sale of rice supplied to Davangere, Holalkere and the Deputy Amildar, Harihar, it is necessary to have an establishment.

In the circumstances explained by the Deputy Commissioner the establishment at the scale proposed may be sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.

KM/MPH.

Letter No. F.C.446 Rev of 19-20 dated 13th March 1920 from the Deputy Commissioner, Chitaldurg District to the Food Controller and Director of Civil Supplies in Mysore.

In reply to your letter No. 11043 dated the 9th March 1920 calling for a clear statement of the reasons for recommending a costlier establishments to the Holalkere, Harihar and Davangere Depots than before, I have the honor to annex a statement showing the establishment sanctioned to the various depots last year, that entertained this year and also that now proposed.

It will be seen from the statement that under the item of House rent, then is no change with regard to Davangere Depot while there has been some reduction with respect to the other two depots.

As regards the servants too, the proposed establishment does not contemplate any excess over the sanctioned amount. Instead of two peons at Rs 7/- each for Holalkere, one on Rs 10/- is proposed, while the pay of the peon for the Harihar depot is proposed to be raised from Rs 9/- to Rs 10/-.

Thus there has been really some savings under these items in respect of Holalkere and Harihar Depots.

The increase recommended mainly relates to the clerical staff. From past experience it was observed that the employment of low paid clerks was in no way helpful to the Amildar in the management of the depot and the maintainance of its accounts. In fact they proved a source of trouble and worry by their indifferent and unsatisfactory work and conduct. In certain cases some malpractices cleverly executed were also

noticed(vide Inspection notes of District Economic Superintendent dated 25th June 1919 and 14th November 1919 forwarded with this office No. 19 of 19-20 dated 11th July 1919 and nil number dated 23rd December 1919) and it is not possible to keep always a watch over the dealings of the clerks, since the depot transactions afford ample opportunities to make money in dishonest ways. The wholesale measurements after the receipt of consignments and measurements during retail sales are generally in the hands of Clerks, though the Amildar is expected to supervise them and their reports have to be accepted as true.

What the Government may save by employing low paid clerks will, I believe, be more than made up by emplying reliable and honest hands, not only by their honest dealings but also by their maintainance of correct and up to date accounts.

Further I intend taking from every depot clerk a deposit 250/- as security.

It will also be seen from the statement enclosed that the staff in other depots have greatly been cut down in accordence with the local conditions, effecting a savings of Rs. 198/- a month.

It is found diffcult to secure on low salaries the servic of a competent and realiable officials for temporary service. Considering the high prices of Food Stuffs and i the fact that the proposed establishment chsrges wor not more than 4 to 8 annas a bag over the monthly sales, beg to state that the scale recommended is quite reasonable.

Owing to the urgent necessity on account of the receipt of supplies of Burma rice, I have in anticipation of sanction instructed the Amildars of Holalkere, Davangere and Harihar to open the depots at once, emplying the staff under reference.

In these circumstances I request you to kindly obtain

necessary sanction of Government to the establishments proposed in my letter No . F.C. 444 of 19-20 dated 1st March 1920.

ear

With reference to your D.O.No. G. 23670/P.P. 6-19-of the 14th instant enquiring whether it is necessary to continue the rice depots at Holalkere, Davangere and Harihar, I enclose a copy of letter No. F.C. 446 of the 21 instant received from the Deputy Commissioner Chitaldurg. The Deputy Commissioner considers and I agree with him that there is a necessity to continue these depots enclose the statement of the issues of rice from these depots during the past few weeks. It will be seen that the is some fair demand for rice especially in Davangere and Harihar. I think however that the salaries proposed by the Deputy Commissioner are pitched rather high. For efficient working of these depots we must look more to the car and vigilance of the Amildars than to the depo whatever their pay may be.

Yours sincerely,

C.S. Balasundaram Iyer, Esqr., B.A.

Letter No. F.C. 446 Rev. of 19-20 dated 21st April 1920 from the Deputy Commissioner, Chitaldurg District, to the Food Controller and Director of Civil Supplies in Mysore.

"With reference to your letter No. 4605 dated the 15th April 1920, enclosing copy of the letter from the Chief Secretary who wishes to know whether it is absolutely necessary to continue the depots at Davangere, Harihar and Holalkere, I have the honor to state that the Amildar's report that the demand for Burma rice is increasing daily and that the depots may be kept on for the next two months in the interests of the poor.

I consider it desirable that the depots should be continued till the marriage season is over as a safe-guard against those merchants, who are now holding back their stocks, inflating the prices and causing hardship to the poor consumer."
